NEW YORK, August 12, 2020 – *Inc.* magazine today revealed that OmniFund is featured on its annual Inc. 5000 list, the most prestigious ranking of the nation's fastest-growing private companies. The list represents a unique look at the most successful companies within the American economy's most dynamic segment—its independent small businesses.

“It's an incredible honor to be recognized on the Inc. 5000 list among so many other distinguished and growing companies,” says Stacy Roderick, CEO of OmniFund. “I'm incredibly proud of our dedicated team and their hard work that consistently propels the company upward. We are so excited about the future of our business and appreciate recognition for our achievements thus far.”

Not only have the companies on the 2020 Inc. 5000 been very competitive within their markets, but the list as a whole shows staggering growth compared with prior lists as well.

Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found at www.inc.com/inc5000. The top 500 companies are also being featured in the September issue of *Inc.*, available on newsstands August 18.

“The companies on this year’s Inc. 5000 come from nearly every realm of business,” says *Inc.* editor-in-chief Scott Omelianuk. “From health and software to media and hospitality, the 2020 list proves that no matter the sector, incredible growth is based on the foundations of tenacity and opportunism.”
